

What's on the Educate Magis site?

Interactive Global Map - shows the location of Jesuit and Ignatian schools.

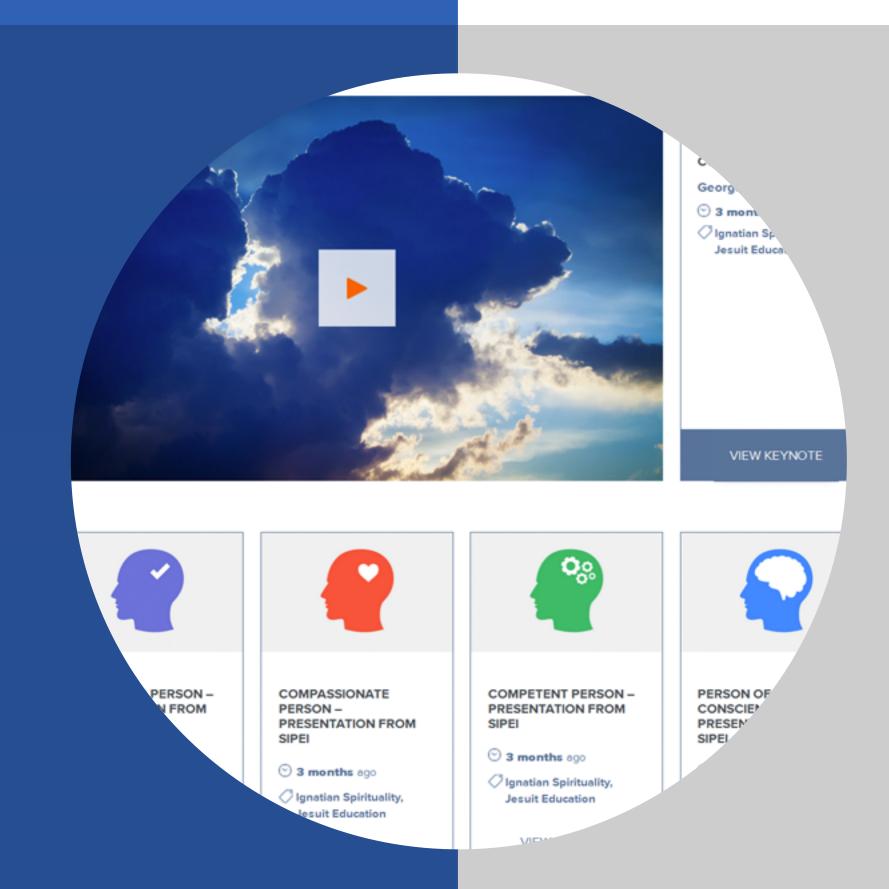

Find your school, search for other schools, get connected.

School Profiles - an individual profile with unique information on each school.

Ensure your school's profile is updated.

Resources - Documents, Videos and Keynotes on Jesuit education.

Do you have resources you would like to share or would like us to find?

Newsletter Subscription - keeping you up-to-date with news from our community.

Send us news trom your region which you would like to share.
