Today call grandpa/grandma  
or another relative and tell  
them you love them

Dear Jesus take care of each and every one of us, as we journey from lent to Easter. Help us to journey together away from school. Take care of my friends, my teachers/LSEs & all the staff at school, my family and all the people suffering in this world. Help me discover the colour and joy there is in living close to you, doing what you want me to do today, as you show us in the El Salvador Cross, Our Cross. Amen

Today take an extra time (10mins or so) to tidy up/organise a part of your room/play area. Remember that every little part helps to live peacefully together at home.
