Small Group Discussion Guidelines

Once you are in the break-out groups, a timekeeper/moderator will be randomly assigned for each group.

Round 1

The moderator (the person with the closest birthday) will invite participants to introduce themselves briefly: name, school and country. Starting with himself. Each member, one after the other, introduces himself/herself. ***(1-minute max. each for sharing)***

Round 2

The moderator reads the reflection question and invites a moment of stillness (focus exercise) to help people arrive and gather their thoughts. ***(1 min)***

Round 3

The moderator starts off the sharing his/her responses to the questions, then: Each member, one after the other, shares his/her responses to the question/s. (***1.5 minutes for sharing)*** A person may pass. A person shouldn't speak a second time until everyone has had a chance to speak.

Round 4

Open discussion.
