## Small Group Discussion Guidelines

Once you are in the break-out groups, the member ***with the closest birthday*** will be the timekeeper/moderator of the group.

### Break-out group connection for group reflection

Starting with the moderator. Each member, one after the other, introduces himself/herself. ***(1-minute max. each for sharing)***

- **Round 1** (2 minutes in total)

The moderator reads the reflection question shared by the retreat leader and invites a moment of stillness (focus exercise) to help people arrive and gather their thoughts.

- **Round 2** (2 minutes max. each for sharing)

The moderator starts off the sharing his/her responses to the question, then: Each member, one after the other, shares his/her responses to the question. A person may pass. A person should not speak a second time until everyone has had a chance to speak.

- **Round 3** (5 minutes in total)

Here each member of the group may share, if desired, any moments when he/she felt the presence of the good spirit or of god.
