- **Accomplish**
- Apostolic,
- **Adjust**
- **Attain**
- **Action**

Lives changed and people needed to adapt and adjust their lives and activities (Lockdowns)
This required attitude changes and allowed for new accomplishments. We took action when lockdown limited our activities.

NOW

N

N

- *Nature Care*

- *Nurture*

- Noble,

- **New**

- **Now**

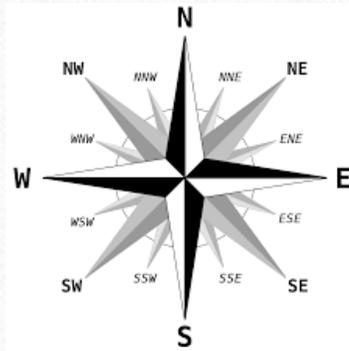

It happened NOW, a NEW phenomenon, allowed to nurture new habits and take time to observe and care for our natural environment. We got to notice nature that surrounds our immediate environments. Many of us nurtured life in plants and animals in ways out of our ordinary nature.

D

- Destiny

- Domestic
- Declare
- Divine

- Decision
- Dare
- **Dedicate**
- Dynamic
- **Devotion**

- Dignity
- Discernment
- Direction

Dedicate and devote your time to things that really matter. On the domestic front we paid more attention to our relationships. Together we practiced some devotions. We continue the practice of discernment that we cultivated in this time. We faced our limitedness with dignity. Our dignity which comes from the Divine.

E

- Eternal
- **Energy**
- **Evolution**
- Envision

- Endurance
- Eminence
- **Empower**
- (Exercise –Spiritual

- Exercises)
- **Empathy,**
- Ethics
- Ethos

Redirecting energy and evolving to new skills some that led to empowerment. We had more time to focus on the eternal. We exercised empathy towards those who took lockdown restrictions poorly. Our ethos challenged us to endure with courage and to encourage others towards excellence. We were empowered and we in our turn empowered others.

M

- Meditate
- Mission
- **Motivation**
- Muse
- **Mindfulness**
- Morals
- **Manage**
- Majesty
- Mortality

A time to be more mindful and manage life better as we became more aware of our own mortality and appreciate life daily. We meditated. We mused on deeper truths. We were more mindful as we had more time. We got motivation to carry on with the mission even in the midst of measures that wanted to draw us back.

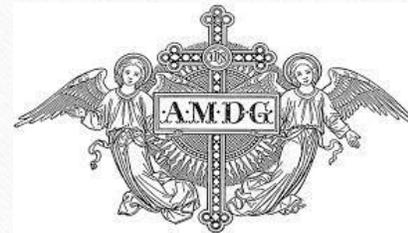

I

- **Intentional**
- Inspiration
- Immortality

- **Introspect**
- Improve
- International

- Ignatian

The pandemic forced people to be more intentional with time spent with family, decision made in various spheres of life, caused an introspective look at what we did for the sake of it. We became more aware of the international connectedness of humanity with airports opening and closing along the way. We shared inspirational quotes when we received them.

C

- Collective
- Care
- **Community**
- **Collaborate**
- Challenge
- Commitment
- **Courage**
- **Compassion**
- Create
- Conquer
- Concentrate

The challenge of the pandemic gave communities new ways to interact and collaborate, showing compassion and courage was needed especially by front line workers and their families. There was heroic care. And as a collective we believe we will conquer. The challenge is to remain committed and to continue concentrating on the constructive communications.

An Opportunity

This PANDEMIC is thus an opportunity. We are invited to embrace the opportunities named... and the opportunities we can add on...
