How can I get involved?

Find your school, search for other schools, get connected.

Share the mission, identity and cultural heritage of your school.

Let us know if you have resources you would like to share or would like us to find.

Send us news, stories, anecdotes from your region which you would like to share.

Teach your students how to become Global Citizens.

No matter where you are in the world you can participate in Educate Magis.

Create conversations and connections to drive global initiatives.

Connect with Educate Magis for more information and questions.
